

PROJECT PLANNING PHASE

Prepare Milestone And Activity List

DATE	28 OCTOBER 2022
TEAM ID	PNT2022TMID48646
PROJECT NAME	SMART SOLUTION FOR RAILWAYS

What is a project milestone?

A milestone is a marker in a project that signifies a change or stage in development. Milestone are powerful components in project management because they show key events and map forward movement in your project plan.

Milestone act as signposts through the course of your project , helping ensure you stay on track. Without project milestone tracking, you're just monitoring tasks and not necessarily following the right path in your project.
